Serial No.

Representation of Sri R. Gopalaraj Urs, Ag. Senior Assistant Commissioner doing duty as City Magistrate, Mysore, praying for the revision of his rank in the Cadre of Assistant Commissioners.

1) Sri Gopalaraj Urs represents that his prospects have suffered a set-back by the fact that at the time of his confirmation as an Assistant Commissioner, about ten years ago, ten persons, promoted from the ranks as Assistant Commissioners, were placed above him without regard to the fact that he had been directly recruited as a Probationary Assistant Commissioner, and by the recent promotion of Sri R. Chikkanarayanaswamy as Deputy Commissioner, and that, but for these supersessions of his just claims, he would have been a Deputy Commissioner more than a year ago.

2) It would appear to be difficult to re-open the question of confirmations made and rankings fixed more than ten years ago without unsettling many matters which have been settled for such a long period. It has perhaps to be presumed that the confirmations and rankings then made have been made for valid reasons.

3) As regards the adverse effect on Sri Gopalaraj Urs's prospects by the

promotion of Sri Chickanarayanaswamy, who is three places below him in rank, perhaps Sri Gopalaraj Urs's case may be considered at the same time as the representation of Sri C. 5) It is not desirable or advisable to allow reopening of matters which have long since been finally set at rest unless there has been glaring injustice or hardship. At this rate there may be numerous such requests, and in addition to the difficulty involved ~~in the case~~ in appraising truly the value or merits of such representations at this distance of time, there would be considerable uncertainty and loss of morale among the officers immediately above them. Promotions to the Cadre of Asst. Comrs. from lower ranks should wait till a batch of probationary Asst. Comrs. finish their probations.

Through

in Mysore, B a n g a l o r e.

Through

Sir,

I beg to submit the following representation for the sympathetic consideration of Government.

I was appointed as Revenue Probationer as per Government Order No. R-4344-46/L.R.193-33-16 dated 5th March 1934. I have had the full course of training for two years as per programme fixed for the training of probationers from March 1934 to the last week of July 1936. During the two years of probation which followed, I passed the prescribed Departmental Examinations and I underwent training in Bangalore and Mysore Districts.

I was appointed as Deputy Amildar of Gudibanda Taluk after the completion of my probationary period about the end of July 1936, in Government Notification No. R.122-L.R.-11-36-8 dated 11-7-1936. I was appointed as Amildar of Sidalghatta Taluk on 6th November 1936 as per

per G.O. No. 1793-L.R.11-36-57 dated 6-11-1936 and continued in that capacity till 19th January 1937, when I was appointed as Probationary Assistant Commissioner.

I was appointed as Probationary Assistant Commissioner during the latter part of January 1937 as per G.O. No. 1729-C.B.112-35-57 dated 19-1-1937. I was a probationer for nearly two years and underwent the usual training during this period - as Assistant Commissioner - from 1937-to 1939. As a result of the second probationary period, I had to undergo some of the items of training once again. I qualified myself fully by passing the other Examinations prescribed, long before the close of my probationary period. I was posted as District Treasury Officer, Tumkur by about the end of December 1938 as per Government Order No. 1914-C.B.108-38-1 dated 9-12-38. I worked as District Treasury Officer and Sub Division Officer in Tumkur District from 1939 to 1942.

When postings of the probationers were made by the end of December 1938, I was posted along with the other three probationers to the several charges at several places. But, at that time, about ten people who were in service were promoted and confirmed as Assistant Commissioners and placed above us - Probationers, I lost by this act ten places.

Subsequently, during these nine or ten years there was one supersession over me - Sri K.C.Narayanaswamy - in 1948, in consequence of which, I lost a further place in the service. Most of them

them who were given places above me, or who superseded me, are now holding higher posts. If my claims had not been overlooked, I would have been in a higher post as Deputy Commissioner over a year ago. It is superfluous for me to add that these supersessions have caused me great hardship and injustice. Many of the persons who have superseded me are very much younger than I.

Further, I have put in fourteen years of service, I have worked in different capacities to the satisfaction of my superiors. I have gained experience and knowledge. Their prospects will not be jeoparadised if my claims are duly recognised and a proper place above them is given to me. Since I would have to retire earlier than they, they would anyhow get the higher places, whereas in my case, if the present condition prevails, my prospect would be barred for ever.

Having in view my long service and my varied experience gained in different capacities and a continuous record of satisfactory work, I would make a special appeal, that my claim may be duly considered and my seniority be restored by fixing a proper place for me in service.

I need hardly add that both facts and consideration of justice and equity require that my case should be sympathetically considered.

that my case should be sympathetically considered.
